**Registration Continues for 36th Governor's Conference on
Energy and the Environment**
Online registration to close Oct. 2

Frankfort, Ky. (Sept. 28, 2012) – Registration continues for the 36th Governor's Conference on Energy and the Environment to be held Oct. 8-9 at the Hyatt Regency, 311 South 4th Street in downtown Louisville.

State energy and environment experts and business leaders will discuss a wide range of topics including Kentucky's energy future and forces that are shaping the energy landscape; federal air regulations; and an industry roundtable that will present concerns and vision from a business perspective on issues of energy affordability, sustainability and linkages with economic prosperity.

Other topics to be discussed include the future of natural gas; university research and development; bioproduct developments; and trends in Kentucky's environment.

To register, visit the Energy and Environment Cabinet's website at <http://eec.ky.gov/Pages/conference.aspx>. The cost is \$200 for the full conference; \$125 for Day One and \$100 for Day Two.

The conference includes an exhibit hall for vendors wishing to display energy and environment-related products and services. Vendors may also register and pay online at <http://eec.ky.gov/Pages/conference.aspx>. The cost of a booth is \$300 and includes one full conference registration.

For additional conference information, contact Karen Wilson at 502-564-3350.
